Plan your Outdoor Kitchen

Each Gasmate Platinum Module can be used as a stand alone unit or joined together to create a luxurious outdoor cooking and entertainment area! Modules are fully finished in stainless steel with clean lines to create timeless appeal.

Choose from a range of 3 modules, each with a specific purpose. The Platinum series can be assembled in any combination; tailor them to suit your own requirements.

The Gasmate Platinum Modules are easy to install and most come fully assembled. Units can be quickly joined together with 2 sturdy bolts. Modules feature stainless steel double skinned doors and black granite tops.
