

Product Safety Recall

Sitro Group Australia Pty Ltd as a precautionary measure is undertaking a voluntary recall of the Gasmate branded Natural Gas Conversion Kit - Model No. NGC10 Purchased since 1st December 2008 with a Beams branded regulator model No. NG001-00.

There is concern that some components included in the kit may not be suitable for all appliance applications.

Sitro Group Australia is recalling the product to ensure the safety of our customers as an ongoing commitment to maintain the highest possible standards of safety and product quality at all times.
