Height: 880mm (not including tap)

Depth: 575mm

Every Gasmate barbecue is designed to provide maximum performance and durability. You will find features that make your BBQ perform better, last longer and allow you to enjoy the outdoors much easier.

Satin enamel cast iron grill and reversible hotplate – giving you maximum versatility when cooking. The grill gives you perfect grill marks while the reversible hotplate is grooved to capture juices for continuous basting while cooking.

Cast iron burners with individual controls – give a consistent flame from front to back, providing even and efficient heat distribution. The individual controls give you precise heat control, allowing you to set your BBQ to the perfect temperature.

Stylish stainless steel fascia – looks good, easy to clean and the convenient internal lights and LED on knobs will make BBQing easier and you will be the envy of all your friends!

Combination of premium #304 grade stainless steel and black glass – elegant styling mixed with modern simplicity

Useful temperature gauge in the roasting hood allows you keep a precise check on the temperature in the BBQ.
